

Act of Aggression

[Bridge 1]

So ya think ya wanna...
So ya think ya wanna...START!!!!
So ya think ya wanna...START!!!!
So ya think ya wanna...

[Verse 1]

START!!... Some shit with me?
Back the fuck off or I'll make you plead,
For some mercy, down on bended knee.
Best place for you to service me.

I've DEMOLISHED!! Many souls before.
Countless bones broken and muscles torn..
My arrogance may leave ya scorned.
Fuck with me and all you'll be is mourned.

[Chorus]

You've..... Got nothing, I haven't seen before...
And I'd..... Place all your bets on me.
Firing on empty's, never stopped me yet.
I'll make you fight this battle, on your knees!
C'MON!!

[Bridge 2]

So ya think ya wanna...
So ya think ya wanna...

[Verse 2]

ACT!!!...like you're big and brave,
Acting like you're not a big disgrace.
Follow these fists as they set the pace,
To busting up YOUR FUCKING FACE!!!!

PATHETIC!!! Swatting at flies
I'll come and rip off that tough, guy, dis-guise
And after this, I will surmise,
A gurneys' how you're leaving, come claim your prize!!

[Chorus]

[Bridge 3]

Stepping toe to toe,
Just try and hold me back.
These tremors, under my skin,
Gives you sense of what's to come.
See the charge building, to a head.
The pinnacle is my fist.

Cock back the trigger,
Aim and fire,
You fall DOWN!!!!

DOWN!!!

[Chorus]
